PROXY

Submitted by: _____ (Owner)

Address: _____

In lieu of submitting a Ballot, I/we hereby nominate and appoint, with an address of _____ as my/our proxy at the October 27, 2026, election meeting. (Print name of proxy)

By this designation of proxy, the person so appointed may attend October 27, 2026, election meeting and any adjournments thereof. Management shall be directed to provide my proxy with a Ballot to vote and act in the same manner and to the same extent as if I were personally present. He or she may vote on any issue or motion presented at the meeting, or decline to vote on that issue or motion, at his or her discretion. This designation of proxy revokes any prior designations of proxy regarding the Association.

Owner Signature (required)

Use of this Proxy Form is voluntary on the part of the granting owner. This proxy can be revoked by written notice of the granting of the owner to the Association at any time before the proxy holder casts a vote. Ballots are available as an alternative to appointing a proxy by completing the Ballot form included with the election meeting notice.

Incomplete proxy forms submitted without a name, date, signature, and unit address will not be effective. If both the Ballot and the Proxy Form are returned, then only the Ballot will be counted, and the Proxy Form will be deemed null and void, except to the extent there is a vote on a topic other than the election.

PROXY FORMS MUST BE RETURNED TO THE MANAGEMENT OFFICE NO LATER THAN:
