A new special needs population registry 'RegisterReady' is available in Gloucester County. 'RegisterReady' is a tool designed to help emergency responders locate and safely evacuate people who may find it difficult to help themselves in the event of a major disaster, such as a hurricane. Emergency responders need to know how to find those who need special assistance safely and quickly. All information gathered as part of the registry complies with HIPAA requirements and is voluntary. Participate in this registry online at www.registerready.nj.gov or by calling (856) 307-7156.
